Willow: (VERY FAST)

Well you see your in L.A which has very bad mojo for evil
and such. So I came, or Buffy sent me to help you guys not
kill your selves.

Vi:

Huh?

Willow:

I came to help you not die.

Patrick:

Willow takes out a letter.

Willow:

I heard about that guy Hellvira.

Well your not one to talk

Melinda giggles.

Willow: Contd

Anyways your all in danger. Hellvira wants you dead and out

Let me see I brought her back from the dead. Cursed Angel with his soul. Two times. Made all the slayers in the world using the scythe. But theres one thing I'm not proud of.

Alex:

What would that be?

thrown up. Except for when I started.

Patrick rolls his eyes.

Alex:

Melinda: Contd
Take that as a no.

Dr. James opens the body more. Then we see an embryo.

Vi:
What is that?!

Dr. James:
It appears to be a baby.

Patrick:

Either this man is the next Pregnant man or hes been used a carrier for a demon baby.

James opens the embryo. Inside is the creature that came out of that man. It pops out.

Vi:

Mel! Knife.

Melinda kicks the demon. James falls.

Patrick:

Vi! Here it comes!

Let me guess. You were scratched by that demon that scratches it way out of humans?

Vi:

Mackenzie:

The good news is your not going to carry the thing. It needs to bite you in order to do that. If it scratches you your just gonna feel dizzy.

Vi:

OK nothing lethal.

Mackenzie:

The bad news is it knows your scent.

Melinda:

Good thing you killed it.

Mackenzie gets up.

Mackenzie:

What?

Melinda:

What you said. It reminds you of Vi when she was a teenager and everything its Vi's past life or just her old life that she left behind.

Patrick:

Your saying...

Melinda:

That this new Vi. Is Vi.

They all get up and run out the door. The door shuts. A ghostly figure is at the door. It floats to the books. It picks them up and flips to a page. On the page says " THE ONE "

Flash to:

Ext: Park - Day

Melinda and Patrick are running along the grass as Alex and Ike follow behind.

Patrick:

We gotta find Vi and save her.

Melinda:
From what?

Patrick:

Her self.

Fade to:

Int: Vi's Apartment - Day

Vi sits on the couch as Frank/Cal stands in the corner away from the sun.

Vi:

Why don't you come and sit with me.

Frank/Cal:

I can't I have sun poisoning.

Vi:
What ever.

She turns back to the TV. Frank/Cal fades away. Vi turns.

Vi:

Frank! This isn't funny! FRANK! Where are you?

Cal appears behind her.

Cal:

I told you we would be together.

Vi screams. He snatches her. Just then the door burst opens and in comes Melinda, Patrick, Alex, and Ike.

Ike:

PUT HER DOWN!

Cal:

She wants me.

Vi's eyes glow white. She blinks.

Vi:

NO I DON'T

She kicks him in the place where you don't wanna be kicked.
Cal falls to the ground.

Melinda:

What the...

Vi:

Hey guys, What I miss?

They look at her dumbstruck.

Patrick:

Well you missed a lot of things.

Vi:

Really (Cal gets up) Just one sec.

She elbows him in the face. He falls.

Vi: CONTD

You were saying?

Fade to:

Ext: Graveyard - Night

Cal walks alone. Wondering why they didn't kill him.
Victoria jumps down from the tomb.

Victoria:

You failed. Again!

Cal:

Like I care.

He walks away. Victoria follows.

Victoria:

That thing you did pretending to be this other man you killed just to get Vi was stupid.

Cal:

It was part of the plan to get her back. And have her join us.

Victoria:

She never will. She kills our kind so she hates you.

Cal:

SHUT UP!

He punches her.

Victoria:

You got the nerve don't ya

Cal:

When Hellvira finds out his number one vampire betrayed him what do you think he'll say!

Victoria:

He'll say nothing.

Cal:

RIGHT! He won't he'll kill you just like he killed your family.

Victoria:

I joined him didn't I!

Cal:

So where does your alliance lie.

Cut to:

Int: Patrick's House - Night

The gang walks through the door.

Vi:

So I almost killed you guys.

Alex:

Pretty much.

Patrick:

Were just happy your not trying to kill us anymore.

Vi giggles.

Vi:

And Ike. How did you know that I wasn't me?

Ike:

The way you talked to me. I kind of noticed that you weren't her until...Melinda here explained who you were. You were just you.

Vi walks over to him and hugs him.

Vi:

Thanks

Ike:

For what?

Vi:

Noticing me when no one else could.

Theres a pause between them.

Ike:

I better go.

He begins to walk. Vi grabs his arm and pulls him in for a kiss. They kiss.

Melinda:

HOT!

They break the kiss.

Melinda: CONTD

No I mean. He practically saved you and your making out with the guy.

Vi:

Melinda backyard NOW!

Melinda follows Vi to the backyard.

Ext: Patrick's House - Backyard - Night

The slide door opens and Vi and Melinda come out.

Vi:

Are you crazy!?

Melinda:

Are you?

Vi:

Maybe?

Melinda:

You broke up with the guy almost five years ago and you
kiss him in just one minute flat.

Vi:

It just felt that some place in my body wanted to let him
in.

Melinda's eyes grow wide.

Vi: Contd

I meant my heart.

Melinda:

Oh

Vi:

I loved him but some where deep down I still didn't know
who he was.

Melinda:

And you'll find out over time. Love is blind you'll never
know where to find it.

Vi sits down in a chair.

Vi:

Seems you've gotten your one true love picked out huh?

Melinda:

What do you mean by that?

Vi:

You and Pat. Like you said love is blind.

Melinda looks into the door to see Patrick. He sees her and smiles. She smiles back.

Melinda: Quietly

Maybe...

Alex:

What does that have to do with us.

Lilah:

Only time can tell. But one person holds your future.

Melinda:

Who would that be?

Lilah:

You already know.

She fades away leaving the gang confused.

Vi:

Who holds our future then?
